**REMARKS**

Claim 12 has been amended. Applicants have amended claim 12 to undo the amendment that was erroneously made to claim 12 in Applicants' previous Amendment. More specifically, claim 12 originally further defined the sub-step of "filling the trench" that is recited in claim 10. However, Applicant's previous Amendment erroneously replaced the phrase "filling the trench" in claim 10 with the phrase "selectively etching". This Amendment is being filed to undo this error: Entry of the present amendment is therefore respectfully requested.

Applicants thank the Examiner for allowing the pending claims.

If for any reason the Examiner finds the application other than in condition for allowance, the Examiner is invited to call the undersigned attorney at (561) 989-9811 should the Examiner believe a telephone interview would advance the prosecution of the application.

Respectfully submitted,

Date: May 16, 2006
